There are two options for the user - Admin/Student.

Admin Privileges:

1. Render and comment on resumes.
2. Send email feedback on resumes.

Student Privileges:

1. Upload existing resumes
2. Create a resume dynamically and manage multiple resume versions.
3. Track job applications,
4. Receive personalized job suggestions through AI integration.
5. Receive AI-based personalized feedback on resumes.
6. Check skills against job descriptions.
7. Search for jobs based on tailored criteria.

Login

Registered users can log in using their username and password, or opt for Google authentication.

The screenshot shows the WolfTrack 6.0 login interface. At the top, there's a dark red header bar with the 'WolfTrack 6.0' logo and a 'Home' button. Below the header is a large image of a person's hands using a smartphone over a laptop keyboard, with the text 'WolfTrack' and 'Don't stop until you're proud!'. To the right of the image is a 'Welcome Back' login form. The form includes fields for 'Username' (PravallikaVasi), 'Password' (redacted), 'User type' (Student), and a 'Login' button. There's also a 'Sign in with Google' button and a 'Sign Up' link. At the bottom of the page is a dark footer bar with links for 'WolfTrack 6.0', 'Quick Links', 'Resources', and 'Connect'.

The screenshot shows the main dashboard of the WolfTrack application. At the top, there's a navigation bar with links for 'Analyze Resume', 'Search Jobs Online', 'Skill Check', 'Resume Suggestions', 'Resume Builder', and 'Logout'. Below the navigation bar, there's a user profile section showing 'NAME: Pravallika Vasireddy', 'USERNAME: PravallikaVasi', and 'Location: Raleigh, NC'. A 'Set Target' button is located next to this information. To the right, there's a 'CV' section with a file input field ('Choose Files'), a 'Add CV' button, and a 'Download CV' button. Below these are sections for 'Add New Job Application', 'Send Profile' (with an 'Email ID' input), and a 'Daily Goal Check' chart showing an application count of approximately 35. There's also a 'Upcoming Events' section with a table header for 'Company' and 'Due Date'.

New Features

Google Authentication

The below is an example of the google authentication signup:

The below is an example of the Google Authentication login:

Resume Builder

The resume builder allows the user to dynamically fill out a form with their details and create a resume that can be saved and downloaded as a pdf. The builder allows adding the following sections:

1. Resume version
2. Basic contact information

3. Education
4. Experience
5. Technical Skills

The below image shows the basic structure of the resume builder:

The screenshot displays the 'Professional Resume Builder' interface. At the top, there's a red header bar with a 'Home' button and the title. Below it is a white main area. On the left, under 'Saved Resumes', there's a placeholder 'Select a resume to load'. To its right are input fields for 'Resume Version Name *' (with 'e.g., Software Engineer 2024') and 'Full Name *' (with 'e.g., John Doe'). Further down are fields for 'Email *' (with 'e.g., john.doe@example.com'), 'Mobile Number *' (with 'e.g., +1 123 456 7890'), and 'LinkedIn Profile URL *' (with 'e.g., linkedin.com/in/johndoe'). On the left side, there are three sections: 'Education' (with a 'Add Education' button), 'Experience' (with a 'Add Experience' button), and 'Technical Skills (one per line) *' (with a text input field). At the bottom right are two buttons: 'Save Resume' (red) and 'Download PDF' (green).

Here is a sample filled out resume:

This screenshot shows a sample resume filled with data. The 'Saved Resumes' section is empty. The 'Resume Version Name *' field contains 'Network Engineer'. The 'Full Name *' field contains 'Pravallika Vasireddy'. The 'Email *' field contains 'pvasire2@ncsu.edu'. The 'Mobile Number *' field contains '9195213095'. The 'LinkedIn Profile URL *' field contains 'www.linkedin.com/in/pravallika-vasireddy'. Under the 'Education' section, there is one entry: 'Institution *' (North Carolina State University) and 'Degree *' (Masters in Computer Networks). The 'Graduation Year *' field contains '2024'. The 'GPA' field contains '4.0'. The 'Related Coursework (one per line)' field contains 'Linux Networking, Switched Network Management, Internet Protocols'. The 'Remove' button for the education entry is visible.
